

Being Church

January 2026

1 Thessalonians 2 v 8: *'Because we loved you so much, we were delighted to share with you not only the Gospel of God but our lives as well'* (NIV translation)

As you may know, Boston Spa and Clifford Chapels are offering an Alpha Course, starting 8th January. Some of you will be familiar with these, having already attended or even helped to run a course but I thought it might be helpful just to give a brief outline and to ask whether there are any lessons for our Circuit?

It's a very simple idea. Over 11 weeks folk get together for a couple of hours each week to :

- Share a meal (a chance to get to know each other),
- Watch a video (which raises issues like *'Who was Jesus and why did he have to die?'* and *'Why and how do I pray?'*)
- Discuss the issues, in an open, friendly way – no pressure, just a chance to share thoughts

And that's it. Last year globally, over 2 million people joined a course, over 300,000 in the UK alone – so they must be doing something right! Here are a few lessons for our Circuit:

1. There's a huge hunger 'out there' – people want to know *'is there more to life than this?'*
2. Church is not the answer (at first). At the recent hugely successful Boston Spa Christmas Tree Festival, we had hundreds of young parents coming through the door – how many would come back on a Sunday? I suspect hardly any would take that as their first step to finding answers – but may choose to become involved further down the road.

3. Sharing a meal and open discussion – remind you of anyone you know who did that 2,000 years ago?
4. Sharing faith, not through theology but through real life stories, not just the certainties but also the doubts, leaving you space to think for yourselves – remind you of anyone?
5. There's no need to 'reinvent the wheel', the resources are there waiting to be used.
6. People need to be invited, people we all know.

Throughout January, all of the Churches in our Circuit are sharing the 'Covenant Service', where we hear the words *'Christ has many services to be done, some are easy, others are difficult, some are suitable to our natural inclinations, others are not yet the power to do all these things is given to us in Christ, who strengthens us'*

And we respond *'I am no longer my own but yours. Your will not mine be done in all things'*. Looking into the New Year and specifically this Covenant season, this is maybe a good time to reflect on what our Churches can be doing for those 'out there' looking for answers. Maybe even more, to reflect on what YOU can do.

What I have discovered over the years is that if we do something and it is the right thing, at the right time, God will help us in ways we hadn't imagined. Alpha might not be right for your Church, or not right, right now – but the lessons set out above still apply. Picking up on Paul's message, are we willing to share not only the Good News but our lives as well?

Please help us to create a community art work at Flourish in February 2026. We are making a big artwork at Flourish that can then be shared into smaller artworks for each circuit to take home with them. We want to keep the design a secret until the event itself but are asking for donations of materials to help us create a community masterpiece and be environmentally conscious. Please don't buy new materials but if you have any in your 'stash' that you would be willing to donate we would be grateful for them. You can drop off your craft materials in donations boxes with Rev Ann

Hannah Wilson (Member of Wetherby Methodist Church)

Will be serving alongside the team at San Andrés Church, with a focus on supporting a church planting project in the west of Salta. This area is home to many families' facing economic hardship, including single mothers and blended households. I'll be involved in a range of weekly outreach activities including a Saturday kids' club, women's gym classes and midweek gatherings, all with the aim of fostering trust, meeting practical needs, and providing a visible, caring presence in the community. Beyond this, I'll contribute to a twice-weekly food outreach programme that serves meals to the homeless community. I'll assist with preparing and serving food, help facilitating the space and spending time with people, offering care and meaningful conversation.

Flourish **13-15 Feb, 2026** at the University of York "Woven Threads"

Boston Spa held its eleventh *Community Christmas Tree Festival* over the weekend of 12th-14th December – and what a magical event it was

There were 34 beautifully-decorated trees displayed throughout the building – a real community event.

We welcomed St Mary's Church of England School who entertained us with their nativity plays, as well as the school choir who sang so sweetly. As part of the Festival weekend, our regular Lunchtime Concert featured The West Riding Concertina Ensemble. Saturday entertainment included Lawrie Coulthard from the Harrogate Male Voice Choir, Village Voices, and

we welcomed back for the third year running the ever-popular Voices of Rock. And then on the Sunday, children from Primrose Lane entertained us, with much audience participation. The Festival finale was our Carol Concert on Sunday evening.

There were delicious refreshments served throughout, tombola, craft and cake stalls – oh and don't forget, visits from Santa and his elves.

All in all a stunning event, and as a result, we have been able to support our Circuit Charity The Millie Wright Children's Charity.

Circuit Celebration Praise

Planned for 11 January, 3pm at Tadcaster Methodist Church. All are welcome to come and meet friends from the Goole & Selby Circuit who join us. Thank you for those who take part, and to those who come along to hear a message and have a good sing!

Tadcaster Circuit Celebration – 200 years!!

“The Tadcaster Circuit was formed in 1826, apparently following a decision taken at the 1825 Annual Conference. The presence of a manse and the availability of more land for expansion must have been important factors for the town had been part of the York Circuit which included almost 50 villages.”

Has your church discussed any ideas for an event that you can invite the rest of the Circuit to? Ideally, it would be good if churches' events were spread out throughout the year. There are already some dates booked in, so please do check with Juliana before your church finalises a booking.

We need events on the following months:

- January
- May
- June
- August
- September
- October
- November
-

Hopefully each church is prepared to organise one event.

A few photos of the Fellowship Christmas Lunch at Ulleskelf, it was hard work but worth every minute. We started with prayers, finished with Carols, John played the keyboard for us.

6 Reasons why you SHOULD go to Flourish

A few thoughts from people you know who
have been before or are going for the first time:

"It's fabulous to gather with so many others and truly praise and worship God. Meeting friends is great too!"
Eileen Clarkson

"I had a great time at the last two events and can't go again! There's lots to see and take part in, plus resources and ideas to bring back!" **Ann Fox**

"I've always enjoyed events like this, a chance for large group worship which can be uplifting. We are never too old on our Christian journey to learn something new, something to inspire us, and help us locally in our own church community." **Jim Murison**

"For fun, for fellowship and to share in uplifting worship – an amazing spiritual boost!" **Heather Shipman**

"I am going to Flourish 2026 as a clean slate, but with lots of excitement. I have heard good things about it from past attendees, and the marketing materials look pretty promising. It should be an inspiring and encouraging weekend." **Abi Alex**

"I can sometimes get into a rut with my thinking and need reminding that God is at work in places and ways I'd never thought of – this is just the boost I need." **Donald Milne**

No need to go alone to anything - meet up with us there for a coffee and chat about which sessions you're planning to go to or where you've been.
